YOUNG
ENTREPRENEURS /
THE DREAM CHASERS

An innovative tale of Architects

ATMOF^{LLP}
Architects

'From a huge diamond (Crystalline) structured Showroom in Kannur to using sand Dunes as inspiration for a hotel in Bengaluru ATMOF Architect's innovation & Creativity has no bounds.'

Founded & Headed by Ar. Arun Tillak & Ar. Favas Mohammad has branches in Kannur & Bengaluru. They hold first class degree in architecture and design. Both are equally passionate about design and its process, which led them to create a multi-disciplinary practice delivering exceptional designs in Architecture, Interior & graphics.

They specialize in providing complete solution for Residential, Commercial, Retail & Hospitality segments with a vision for sophistication & innovation in design.

They are a young pack of architects, designers & engineers thriving for perfection & satisfaction in each & every work they do. All design ideas and solutions are inspired by a creative blend of the program, concept & material, while keeping environmental consciousness, value creation,
